GIFTS AND BENEFITS

When a member of our team demonstrates outstanding service, the best way to recognise their efforts is to contact us so we can ensure that they are acknowledged appropriately.

We have a strong stance on corruption prevention and ask that you do not offer gifts, inducements or benefits of any kind. Acceptance of gifts can give the wrong impression and breach our code of conduct or the legislation under which we are governed. Refusal of gifts by a staff member is not intended to cause offence.

WE VALUE YOUR OPINION

Your feedback is important to us. If you feel our staff have gone beyond the call of duty to assist you, please tell us about it. Your compliments help recognise our high performers and rising stars.

Also, please let us know if you are unhappy with the quality of our service or performance as we strive to continuously improve. Your concerns will be dealt with fairly, courteously and promptly.

REVIEW OF DECISIONS

If you are dissatisfied with a decision we make, you can request a review by a more senior staff member. If your concern is not resolved to your satisfaction, you can refer it to the NSW Ombudsman or another appropriate third party for further review.
